(Operator name):	Owner of a crane operating license (if applicable) <input type="checkbox"/> yes <input type="checkbox"/> no
(Operator name):	Owner of a crane operating license (if applicable) <input type="checkbox"/> yes <input type="checkbox"/> no
(Operator name):	Owner of a crane operating license (if applicable) <input type="checkbox"/> yes <input type="checkbox"/> no

End customer representative (capital letters):	Signature:
PALFINGER general agency (capital letters):	Signature:

Note! The handover training is only a familiarization process for the customer / operator.

It does not replace an eventually locally / by local regulation / law required crane operator training. It is still required that the customer reads and fully understands the operator manual before using the machine.

Hand out a COPY to the CUSTOMER!
